

# We're Hiring Therapists!

## Who We Are:

WellHome Psychology is a trauma-informed, community-based private practice serving Northwest Indiana, spanning 10 counties, and the Greater Fort Wayne area. We're growing and looking for trauma-informed clinicians who value autonomy, depth, and meeting people where life actually happens.

## Why WellHome?

- Mission-driven, not productivity-driven
- Therapy in homes, communities, outdoors, and online
- Clinicians trusted as professionals
- Trauma-informed, neurobiologically grounded, relational care

## Compensation:

We use a formal hiring matrix and do not disclose or guarantee salaries prior to interviews.

Estimated annual ranges:

- Part-time (10 hrs/week): ~ \$28.8k–\$45.6k
- Full-time (25 sessions/week): ~ \$78k–\$114k

## Requirements:

- Master's degree or higher (accredited program)
- Willingness to provide hybrid telehealth, in-home, and community-based therapy
- Trauma-informed training or experience

**Bonus opportunities** may be available for supervision, group therapy, community engagement, or other defined contributions.

## Interested?

Apply with a Letter of Interest, CV/resume, and three References or two Letters of Recommendation to [info@wellhomepsy.com](mailto:info@wellhomepsy.com)

Positions are offered on an independent contractor basis.

**Telehealth-only roles are a hiring exception.**
